3. For those who are new, I was the KPAA president last year.
4. School Board members who visited one or more of our sites over the last three years: Patti Truesdell, Kelley Cizek, Ash-Lee Waddell, and Jason Taurianen (Tim Daugharty tops the chart for attending the most activities)

Thank You KPBSD School Board members

You have an extremely hard job and are dealing with a difficult situation. We know your focus and priority is on the education of all KPBSD students. Each of you is appreciated.

We will be thinking of everyone, at least a little, while we are enjoying our highly anticipated break next week.
