

Planned Parenthood of the Great Northwest and the Hawaiian Islands

July 15, 2017

Dear School Districts,

The Alaska Education Department of Planned Parenthood of the Great Northwest and the Hawaiian Islands (PPGNHI) is please to announce in addition to our exisiting Healthy Sexuality and Youth Development curriculum we will be available to provide lessons from Advocates for Youth's Rights, Respect and Responsibility (3R's) curriculum. The 3R's is a sexuality education curriculum developed for students enrolled in K-12. In addition, this particular curriculum ...

- ✓ Fully meets the National Sexuality Education Standards
- ✓ Been through a SHECAT Curriculum Review
- ✓ Covers all 16 topics recommended by the Centers for Disease Control and Prevention (CDC) as essential components of sexual health education
- ✓ Inclusive for issues related to sexual orientation and gender identity
- ✓ Includes family homework activities
- ✓ Based on Advocates' award-winning When I'm Grown and Life Planning Options

In addition to expanding the curriculum we use to provide medically accurate comprehensive sexual health education we have also expanded our additional teaching resources to include animated videos. Faciliators may elect to incorporate animated videos to enhance lessons produced and published by AMAZE. AMAZE—a collaboration between national sex education experts Advocates for Youth, Answer and Youth Tech Health—is a groundbreaking global initiative to provide young adolescents, parents and educators with animated and often humorous videos about puberty, healthy relationships, consent and other important sex education topics.

We are submitting our credentials and our lessons for your review and consideration along with the Advocates for Youth's 3R's curriculum and videos from <http://amaze.org>. Please do not hesitate to reach out if you have any questions.

Thank you,

Kristin Bogue

Alaska Education Manager

Planned Parenthood of the Great Northwest and the Hawaiian Islands
