To whom it may concern,

It is my intention to resign from teaching in the KPBSD at the end of the 2017/18 school year. I have enjoyed working with the staff and students of this district. While I will not miss the near constant traveling I will miss visiting all of the elementary and small schools in our district. Over the years visiting, and teaching the arts in 26 of our 44 schools on a regular basis gave me a unique perspective into how diverse our schools and staff are. Each school and community has its own unique personality, challenges and celebrations. It is my hope that the district will continue to foster the growth of its teacher in the areas of arts and arts integration.

Sincerely,

Debbie Harris

With this letter, I am formally submitting my notice of retirement from the KPB School District effective the end of the 2017-2018 school year. It has been an awesome 30 years and I have loved every minute of working with the many students that have passed through my classroom and the quality personnel in this District.

Thank you very much.
