Dear Mr. Dusek,

Please accept this letter as my official resignation as a special education teacher from the Kenai Borough School District, specifically Paul Banks Elementary School. It is planned that I will fulfill the remainder of my contract, which is set to expire in May 2018.

During my eleven years with the district, it has truly been an honor and a privilege to serve hundreds of children and young adults as they have progressed through life. Having made a positive impact on those students and families has been extremely rewarding, to say the least. Thank you very much for the opportunity, experiences, and memories.

Dear Superintendent Dusek, Dr. Christine Ermold, President Vadla, and Members of the KPBSD Board of Education,

Please accept my resignation as regional administrator of Nanwalek and Port Graham Schools, effective the end of the 2017-18 school year. It is my intention to retire, and move on to new adventures and challenges.

Being part of the KPBSD team has been an honor, as our district constantly works at getting better. I will always treasure my many homeschool students at Connections, and will forever hold the students and families of Nanwalek and Port Graham dear to my heart.

My Dad taught us to leave a place better than when we arrived. We have moved Nanwalek and Port Graham forward through initiatives that transform education and students' lives, and I will do all I can to provide a smooth transition to sustain our efforts.

Thank you to all for your support and encouragement throughout the years.

Sincerely,

Nancy Kleine

I am submitting my resignation, with the intent of fulfilling my contract through the 2017-18 school year. If needed, I will be available through December, 2018, to assist in the transition of a new administrator into Tebughna School.

Please know It has been a sincere pleasure sharing in the lives of our precious Tebughna students. And the school staff are dedicated and truly believe in the excellence that our children can achieve. In addition, accolades to the District Office staff, who have been the best I have ever worked with in Alaska or California, and whom I will be forever indebted.

Thank you so very much for entrusting me with Tyonek's most valuable treasure: our students. I realize you had other choices, but I was the fortunate one. I now know that I saved the best district I have ever worked in... for last.
